SCENE 1A

Two people are sitting side by side. The left person is probably a female with a male on the right. There is a gap of about six inches from hip to hip (or shoulder to shoulder). Shoot against a green screen if possible but have a plain background at a minimum.

In this option they are on a bench outside. To help with wardrobe, it is a fall afternoon and about 60°.

Fade in. Both people staring straight ahead.

    LEFT PERSON
    I love you

    RIGHT PERSON
    I love you too

They turn to face each other and kiss (left nostrils touching). Fade out.

SHOT 1 - CAMERA ON TRIPOD FACING ACTORS AS A TWO SHOT
SHOT 2 - CAMERA ON TRIPOD 45° ANGLE TWO SHOT FROM LEFT
SHOT 3 - CAMERA ON TRIPOD 45° ANGLE TWO SHOT FROM RIGHT
SHOT 4 - SAME AS SHOT 1 BUT A CLOSEUP

Use a tennis ball as a stand in for the lips of the missing actor. The ball should be mounted about 27" above the seat.

SCENE 1B

This option is the same as SCENE 1A but the two people are sitting on the edge of a pool with their feet in the water. The air temperature is about 90°.

SCENE 1C

This option is the same as SCENE 1A but the two people are on a sofa after returning from eating at a casual restaurant.
